§ 17.605 Selection of participants.

(a) *General.* In deciding which Scholarship Program applications will be approved by the Secretary, priority will be given to applicants entering their final year of education or training and priority will be given to applicants who previously received scholarship awards and who meet the conditions of paragraph (d) of this section. Except for continuation awards (see paragraph (d) of this section), applicants will be evaluated under the criteria specified in paragraph (b) of this section. A situation may occur in which there are a larger number of equally qualified applicants than there are awards to be made. In such cases, a random method may be used as the basis for selection. In selecting participants to receive awards as part-time students, the Secretary may, at the Secretary's discretion—

(Authority: 38 U.S.C. 7612(b)(5))

(1) Award scholarships geographically to part-time students so that available scholarships may be distributed on a relatively equal basis to students working throughout the VA health care system, and/or

(2) Award scholarships on the basis of retention needs within the VA health care system.

(Authority: 38 U.S.C. 7603(d))

(b) *Selection.* In evaluating and selecting participants, the Secretary will take into consideration those factors determined necessary to assure effective participation in the Scholarship

Program. The factors may include, but not be limited to—

(1) Work/volunteer experience, including prior health care employment and Department of Veterans Affairs employment;

(2) Faculty and employer recommendations;

(3) Academic performance; and

(4) Career goals.

(Authority: 38 U.S.C. 7633)

(c) *Selection of part-time students.* Factors in addition to those specified in paragraph (b) of this section, which may be considered in awarding scholarships to part-time students may include, but are not limited to:

(1) Length of service of a VA employee in a health care facility;

(2) Honors and awards received from VA, and other sources;

(3) VA work performance evaluation;

(4) A recommendation for selection for a part-time scholarship from a VA Medical District.

(Authority: 38 U.S.C. 7452(d)(1))

(d) *Duration of scholarship award.* Subject to the availability of funds for the Scholarship Program, the Secretary will award a participant a full-time scholarship under these regulations for a period of from 1 to 4 school years and a participant of a part-time scholarship for a period of 1 to 6 school years.

(Authority: 38 U.S.C. 7612(c)(1)(A) and 7614(3))

(e) *Continuation awards.* Subject to the availability of funds for the Scholarship Program and selection, the Secretary will award a continuation scholarship for completion of the degree for which the scholarship was awarded if—

(1) The award will not extend the total period of Scholarship Program support beyond 4 years for a full-time scholarship, and beyond 6 years for a part-time scholarship; and

§ 17.606

(2) The participant remains eligible for continued participation in the Scholarship Program.

(Authority: 38 U.S.C. 7603(d))

§ 17.606 Award procedures.

(a) *Amount of scholarship.* (1) A scholarship award will consist of (i) tuition and required fees, (ii) other educational expenses, including books and laboratory equipment, and (iii) except as provided in paragraph (a)(2) of this section, a monthly stipend, for the duration of the scholarship award. All such payments to scholarship participants are exempt from Federal taxation.

(Authority: 38 U.S.C. 7636)

(2) No stipend may be paid to a participant who is a full-time VA employee.

(3) The Secretary may determine the amount of the stipend paid to participants, whether part-time students or full-time students, but that amount may not exceed the maximum amount provided for in 38 U.S.C. 7613(b).

(4) In the case of a part-time student who is a part-time employee, the maximum stipend, if more than a nominal stipend is paid, will be reduced in accordance with the proportion that the number of credit hours carried by such participant bears to the number of credit hours required to be carried by a full-time student in the course of training being pursued by the participant.

(5) A full stipend may be paid only for the months the part-time student is attending classes.

(Authority: 38 U.S.C. 7614(2))

(6) The Secretary may make arrangements with the school in which the participant is enrolled for the direct payment of the amount of tuition and/or reasonable educational expenses on the participant's behalf.

(Authority: 38 U.S.C. 7613(c))

(7) A participant's eligibility for a stipend ends at the close of the month in which degree requirements are met.

38 CFR Ch. I (7-1-08 Edition)

(b) *Leave-of-absence, repeated course work.* The Secretary may suspend scholarship payments to or on behalf of a participant if the school (1) approves a leave-of-absence for the participant for health, personal, or other reasons, or (2) requires the participant to repeat course work for which the Secretary previously has made payments under the Scholarship Program. Additional costs relating to the repeated course work will not be paid under this program. Any scholarship payments suspended under this section will be resumed by the Secretary upon notification by the school that the participant has returned from the leave-of-absence or has satisfactorily completed the repeated course work and is proceeding as a full-time student in the course of study for which the scholarship was awarded.

§ 17.607 Obligated service.

(a) *General.* Except as provided in paragraph (d) of this section, each participant is obligated to provide service as a Department of Veterans Affairs employee in full-time clinical practice in the participant's discipline in an assignment or location determined by the Secretary.

(Authority: 38 U.S.C. 7616(a))

(b) *Beginning of service.* (1) Except as provided in paragraph (b)(2) of this section, a participant's obligated service shall begin on the date the Secretary appoints the participant as a full-time VA employee in the Department of Veterans Affairs Veterans Health Administration in a position for which the degree program prepared the participant. The Secretary shall appoint the participant to such position within 60 days after the participant's degree completion date, or the date the participant becomes licensed in a State to practice in the discipline for which the degree program prepared the participant, whichever is later. At least 60 days prior to the appointment date, the Secretary shall notify the participant of the work assignment, its location, and the date work must begin.
